The image shows a smart home lighting control interface. At the top, there is a button with a lightbulb icon and a diagonal slash, labeled "Svetainė ir virtuvė off". Below this is a slider bar for "Svetainės LED 74%", with a blue bar indicating the current level. The interface features a grid of seven buttons, each with an icon and a label: "Toršerai" (table lamp), "TV lempos" (TV lights), "Prožektoriai" (spotlights), "Spinta" (mirror), "Šaldytuvas" (refrigerator), "Sala" (hallway), and "Valgomasis" (dining room). At the bottom, there is a master control button with a lightbulb icon, labeled "LED all ON all OFF", and a toggle switch to its right.
